DRIVERS, PLEASE NOTE:

- Some of the roads around Wainui are narrow and windy – please ensure to drive to conditions and speed limit
- Cars are NOT to be driven up the driveway to our gear shed and camp office. Students will walk back to vehicles parked by High Ropes or the East Carpark. This is not negotiable, please do not be offended if you do this and we ask you to move. This is part of our health and safety procedures to reduce risk in one our main areas working with the participants.
- Coasteering – Parking is tight. At times, the general public may use the same parking. Our instructors will direct you to the best alternative location

If you have any concerns, please raise these before you arrive or speak to your Camp Host on arrival.
