

SPONSORSHIP OPPORTUNITIES

The Kind Foundation™
Charity Golf Tournament

Friday 7 November 2025, 11.30am - 7pm, Weedons Country Club

The Kind Foundation held its inaugural Charity Golf Tournament in 2012.

The funds raised by this and subsequent golf tournaments have helped us to make a difference in the lives of many thousands of people – young, old, and everyone in between – through our many programmes and services.

Whilst we have paying members at our gyms and we operate our hotel as a social enterprise, many of our programmes and services are delivered at low cost or free of charge to reduce or eliminate barriers to participation.

These programmes include school holiday programmes, youth development, children's recreation, fitness and recreation for older adults (Life Fit) and early childhood education.

In order to develop, implement and maintain these programmes our organisation needs additional financial support generated by events such as our golf tournament.

The 2025 tournament will again be played at the Weedons Country Club, with up to 120 players taking part, representing businesses throughout Christchurch.

The Kind Foundation is currently offering a range of sponsorship packages, which provide great long term benefits to your business:

- ✓ Staff wellbeing
- ✓ Networking opportunities
- ✓ Promotion of your business through our extensive networks
- ✓ Corporate responsibility demonstrated by supporting a charity

"This charity golf tournament is one of the best value corporate tournaments held in Christchurch. It provides a format for all golfing abilities and is played in a fun comes first atmosphere."

Greg Buchanan, ANZ Bank
