

CELIA BOSMAN

Formally trained at The Royal Ballet School in the UK, Celia danced professionally in the UK and overseas before transitioning into teaching. She is now a Royal Academy of Dance Silver Swans® Licensee and she specialises in ballet for mature adult dancers. For more than six years, Celia has been sharing her love for ballet with dancers in Christchurch and further afield. She has created a wonderfully supportive and inclusive environment where adults can start, continue or rediscover the wonderful art of ballet.
