ELEVATE FITNESS

Terms and Conditions – \$99 Student Summer Pass 2026/2027

1. Promotional Offer

The \$99 Student Summer Pass provides eligible students with access to Elevate Fitness Bishopdale and Elevate Fitness Papa Hou for a one-off upfront payment of \$99 (inclusive of GST).

The promotion is available from 2 November 2026 until 28 February 2027.

All promotional memberships expire on **28 February 2027**, regardless of the date of purchase.

Students who join earlier will receive a longer period of access. The \$99 fee remains the same regardless of the joining date and is not prorated for later registrations.

2. Eligibility

- The offer is available to eligible secondary school and tertiary students.
- Valid student identification or confirmation of current enrolment must be provided at registration.
- The offer is available to new, returning and existing eligible students.
- One promotional membership per person.
- Memberships are non-transferable and cannot be combined with other promotional offers.
- Students under 18 must have parent or guardian consent and meet Elevate Fitness's age and supervision requirements.

3. Payment and Access

- A one-off upfront payment of \$99 is required at registration.
- Membership access begins on the date of purchase and continues until 28 February 2027.
- Membership provides access to the gym facilities at both Bishopdale and Papa Hou during normal operating hours, subject to facility rules and any applicable age restrictions.

- Any additional services or activities not included in standard gym membership may incur separate charges.
- Standard facility rules and health and safety requirements apply.

4. Automatic Membership Transition

From **1 March 2027**, the Student Summer Pass will automatically transition to the applicable ongoing student membership rate, provided the member remains eligible.

- The ongoing student membership rate and payment frequency will be confirmed and agreed to at registration.
- Valid direct debit details must be provided and the ongoing payment arrangement authorised at registration.
- Standard direct debit transaction and dishonour fees will apply to ongoing payments, as disclosed at sign-up.
- Members will receive advance communication during February 2027 confirming the end of the promotional period, the ongoing membership rate and their cancellation options.
- Members who do not wish to continue must provide two weeks' written notice in accordance with Elevate Fitness's standard cancellation policy.

5. Cancellation and Refunds

- The \$99 Student Summer Pass is a promotional upfront payment covering access until 28 February 2027.
- Members may request cancellation during the promotional period; however, no prorated refund will be provided for unused membership time, except where required by law.
- Members wishing to avoid transitioning to an ongoing membership must provide written cancellation notice by **14 February 2027**.
- From 1 March 2027, standard membership cancellation conditions apply, including two weeks' written notice.
- Nothing in these terms limits members' rights under the Consumer Guarantees Act 1993 or Fair Trading Act 1986.

6. Membership Engagement and Communication

Elevate Fitness may contact promotional members during their membership to provide information about gym services, available support, membership options and the transition to ongoing membership.

Members will receive communication before the promotional period ends to ensure they understand their ongoing membership arrangements.

7. General Conditions

- All standard Elevate Fitness membership terms and conditions apply unless specifically varied by this promotional offer.
- Memberships are subject to normal facility operating hours and availability.
- Elevate Fitness reserves the right to withdraw the promotion from new registrations, subject to applicable consumer law. This will not affect promotional memberships already purchased.
- All prices are inclusive of GST.
- Personal information will be handled in accordance with the Privacy Act 2020.
- By purchasing the Student Summer Pass, members acknowledge and agree to these promotional terms and the applicable general membership terms.

Important Membership Information

Your \$99 Student Summer Pass provides access until 28 February 2027. From 1 March 2027, your membership will automatically continue at the agreed standard student membership rate unless you cancel in writing by 14 February 2027.

The ongoing rate and payment arrangements will be clearly disclosed at registration.
